CSMA Fall Seminar

DOUGLAS COUNTY FAIRGROUNDS

500 Fairgrounds Dr.,
Castle Rock, CO.

**Friday, Saturday, & Sunday
October 14, 15, 16, 2016**

A NOTE FROM BRIAN

The main goal of this seminar will be for CSMA members to come together and finish the old time saddle, our latest CSMA saddle, that we started several seminars ago! So please come ready to roll up your sleeves and pitch in. We also have several classes planned to help you improve your leather working skills. This schedule is a guide for our day, but we may have to change it some depending on how the work goes on the saddle. We should be able to get it all in though! Hope to see you there!

The CSMA Tool Swap

**Bring your old or unwanted
tools to trade or sell!**

Don't let those old tools you may not use anymore just sit in the back of the drawer. Bring them to the Spring Seminar and get some cash for them or trade for something you can use.

There will be an area set aside with tables available for the items you would like to sell or trade. Everything needs to be identified, needs a price and the name of the seller of the item. All deals will be made between buyer and seller.

CSMA accepts donations of tools and supplies. If you would rather donate them than sell them yourselves, CSMA will sell them and the money will go into the CSMA Treasury to support the mission of the CSMA.
